BEANSTACK INSTRUCTIONS
First-Time User Instructions for App

REGISTERING ON THE BEANSTACK APP
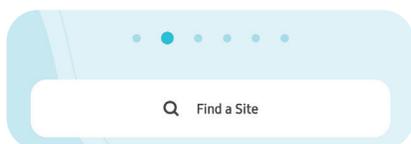

1 Go to the **Google Play Store** or **Apple App Store**. Download and open the **Beanstack Tracker** app.

> Beanstack Tracker
> Zoobean, Inc.   [Open]

2 Choose **At my library, school or bookstore**.

> How will you participate in Beanstack?
> At my library, school, or bookstore

3 Using the **Find a Site** search bar, type **Haverhill**.

> 🔍 Find a Site
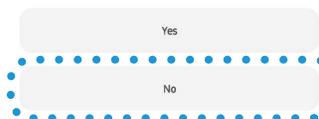

4 Select **Haverhill Public Library (MA)**.

> Haverhill   ✕   Cancel
> Haverhill Public Library (MA)   ›

5 At the bottom of screen, you'll see **Don't have an account?** Select **Sign up!**
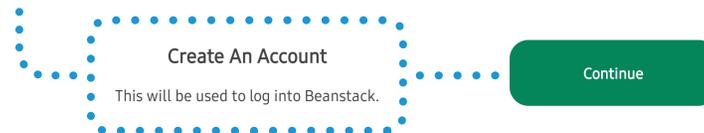

> Don't have an account? **Sign up!**

6 Select **No** when asked if you have previously used Beanstack with Haverhill Public Library.

> Have you previously used Beanstack to participate in a reading challenge?
> Yes
> No

7 Create an account by adding an email and creating a password. Select **Continue**.

> Create An Account
> This will be used to log into Beanstack.   [Continue]

8 Add your First and Last Name and select **Continue**.

> Personal Information
> Tell us just a little bit more.   [Continue]

9 Add a Phone Number and Zip Code and select **Continue**.

> Contact Information
> Just a few more details.   [Continue]

10 **Choose a Library**. Entering your Library Card Number is optional.

> Library Information
> A few things for the library.   [Continue]

11 Your account is created! You can add additional information about yourself or add additional readers.

> 🎉 Yay! You're all signed up!
> You need at least one reader on this account in order to use the app's challenge, tracking, and highlights features.
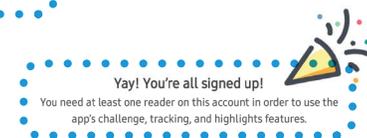

12 You will be directed to the challenges HPL is currently offering. Choose any upcoming **Challenges** in which you would like to participate, or you can use Beanstack to track the books you're reading and write book reviews.

> Challenges
> Register for a reading challenge to continue.

WHEN USING THE BEANSTACK TRACKER APP

Once you enter a book title, it is possible to use a timer to track how long you read.
