

P.S. I Like You by Kasie West

Review by Harper

Romance

Recommended for ages 13+

What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?

My cousin highly recommended it

Is it part of a series? If so, what series is it?

No

What is this media about? Make sure to give enough interesting details without spoiling too much!

This book is about a girl who in her chemistry class gets bored, and her notebook wasn't allowed out, started writing the lyrics to one of her favorite songs on the desk. The song wasn't very popular so she was surprised when someone answered the next lyric and left her a note. They soon start leaving letters for each other and bonding through them, but Lily is shocked to find out who the letter writer is, and she struggles with her feelings for that person.

Who are the main characters? What makes them interesting or unique?

Lily, and Cade. They both listen to very unique music, and they are both funny and caring.

Does this media remind you of anything else you've read/watched/played?

Reminds me slightly of Better than the Movies

What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.

Someone who likes enemies to lovers and romance novels

Did you like this media? Would you recommend it to others? Why or why not?

I did like this book. I would recommend it to others. I found the character really relatable and it overall was just a fun and funny book to read.

Do you like the cover? Does it convey what the media is about?

The cover is ok, I don't really think it conveys what the book is about.

Do you have any last thoughts about this media that you would like to include in your review?

I loved the ending and found myself reading this in one day
