What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?

Never tried the game and it seemed to have a lot of hype to its name.

Is it part of a series? If so, what series is it?

Yes, Call of Duty

What is this media about? Make sure to give enough interesting details without spoiling too much!

It’s a shooter game: with multiple game modes, zombies, battle royale, and multiplayer.

Who are the main characters? What makes them interesting or unique?

While the game does not feature a story mode for the first time in the series, it did have a series of different operators who you can play as.
Does this media remind you of anything else you’ve read/watched/played?

Any other Call of Duty for sure, it brought the arcade feel from the classics.

What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.

Really anyone. Anyone who enjoys video games of anything, to be honest. It’s a simple, more arcade-like classic video game with amazing graphics.

Did you like this media? Would you recommend it to others? Why or why not?

Yeah, it could’ve been better with more story.

Do you like the cover? Does it convey what the media is about?

Yes, probably easily one of the best covers. It has everything in the game on the cover.

Do you have any last thoughts about this media that you would like to include in your review?

There’s nothing else to say just due to the lack of story in the game. I’d love to go in depth, but it really ends at the game modes.
