What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?

Out of curiosity, I like football so I would of liked it anyway

Is it part of a series? If so, what series is it?

Yes, Madden NFL

What is this media about? Make sure to give enough interesting details without spoiling too much!

American Football. Become a football player, more specifically a quarterback, on your chosen team. Not much storyline to the face of franchise just more playing compared to a game like NBA 2K.

Who are the main characters? What makes them interesting or unique?

Name is unavailable. No set name, just the player you make.
Does this media remind you of anything else you’ve read/watched/played?

NFL, of course. They do the best to replicate the NFL and becoming a Football player.

What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.

Someone who likes American Football, someone who enjoys sports in general.

Did you like this media? Would you recommend it to others? Why or why not?

Yes I do, although it could have more story to it. The gameplay was very good and very enjoyable.

Do you like the cover? Does it convey what the media is about?

It’s simple but nice. The color scheme is nice and the cover athlete is appropriate being Patrick Mahomes.

Do you have any last thoughts about this media that you would like to include in your review?

Not much else. It has a bunch of different game modes where you can build your own team, build your own player, become a coach, etc. There’s much to choose from.
