Comedy/Fantasy

What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?

I've known about it since I was a little kid, and I've always been interested in reading it.

Is it part of a series? If so, what series is it?

No

What is this media about? Make sure to give enough interesting details without spoiling too much!

The story is about four lovers who enter a forest one night to flee from society- Lysander and Hermia wish to marry in peace, Demetrius wants to marry Hermia, but she doesn't return those feelings, and Helena is in love with Demetrius, who does not return those feelings. In a twist of events, they all change their feelings for each other, and tensions rise.

Who are the main characters? What makes them interesting or unique?

The main characters, are as mentioned- Hermia, Lysander, Demetrius, and Helena. They are each in love with someone else, and chaos ensues as a result from this love, rather than happiness- in opposition to the typical idea of love.

Does this media remind you of anything else you've read/watched/played?

Not really- it's fairly unique!

What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.

I'd recommend it to anyone who likes Theater or Shakespeare, or anyone who likes fantasy. I would also recommend it to anyone who likes absurdist comedies- because this is definitely one!

Did you like this media? Would you recommend it to others? Why or why not?

I definitely liked it- and I would recommend it, because I feel that absurdist comedy is a genre of storytelling which isn't talked about much.

Do you like the cover? Does it convey what the media is about?

Yes- it's very simple, and that's all the story needs.

Do you have any last thoughts about this media that you would like to include in your review?
