Fantasy

**What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?**

I came across this ROBLOX game called Warrior Cats: Ultimate Edition, and I just so happened to come across the book series that this game was inspired by, and I just so happened to like the book series.

**Is it part of a series? If so, what series is it?**

Warriors

**What is this media about? Make sure to give enough interesting details without spoiling too much!**

This media is about a cat named Ripple that lost his home due to humans, and he traveled to beside the river, making it his new home. This book covers how (now named River Ripple) changed his ways beside the river that saved his life and carried him here.

**Who are the main characters? What makes them interesting or unique?**

The main character is Riverstar, (Ripple) who held on to a log for dear life while being pushed through the river to a place which would soon be his home.

**Does this media remind you of anything else you've read/watched/played?**

This media reminds me of the Warrior Cats: Ultimate Edition game on ROBLOX where people can roleplay as cats in the Warrior Cats world.

**What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.**

A type of person who would enjoy this media is someone who like cats and fantasy.

**Did you like this media? Would you recommend it to others? Why or why not?**

I would recommend it to others, especially those who love cats and fantasy stories.

**Do you like the cover? Does it convey what the media is about?**

The cover doesn't reveal anything about the media, expressing suspense.

**Do you have any last thoughts about this media that you would like to include in your review?**
