

La La Land Original Motion Picture Soundtrack

Justin Hurwitz

Review by Sophia

What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?

I watched the movie and I grabbed it when I was just checking out other CDs.

Is it part of a series? If so, what series is it?

No.

What is this media about? Make sure to give enough interesting details without spoiling too much!

Someone in the crowd could be the one that is meant for you, but maybe that's just a facade from the movies.

Who are the main characters? What makes them interesting or unique?

Mia and Sebastian. They are both interesting for following their passions despite the signs not to.

Does this media remind you of anything else you've read/watched/played?

The movie La La Land.

What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.

This is for musical lovers for sure. Perhaps also people who like jazz because it is a huge theme for the soundtrack.

Did you like this media? Would you recommend it to others? Why or why not?

Yes! This is a really beautiful soundtrack and the story is very captivating.

Do you like the cover? Does it convey what the media is about?

Yes the cover portrays perhaps the most famous scene from the movie because it is when the romance truly begins.

Do you have any last thoughts about this media that you would like to include in your review?

Give it a listen!
