Murder Mystery

What originally made you interested in reading/watching/playing this media? How did you hear about it or come across it?

I bought this book at my school book fair!

Is it part of a series? If so, what series is it?

I don't think it is.

What is this media about? Make sure to give enough interesting details without spoiling too much!

This media is about Noa and her sister, Leah, who supposedly died by a suicide last summer. Leah had always been the center of attention, getting opportunities before Noa could catch up. And Noa was always following her path. So when Noa found Leah's phone locked away in her parents' bedroom? She came to the realization that Leah's suicide wasn't a suicide at all, but a murder. The story follows Noa getting connections into high-ranked people in Manhattan society and getting closer to the truth about what actually happened to her sister last summer. But by the end? The evidence points to only one person responsible for the murder.

Who are the main characters? What makes them interesting or unique?

The main character is Noa Falk. What makes her interesting is how despite her rocky relationship with her sister, she still feels compelled to figure out the truth of what happened to her and had to confront her emotions over the situation.

Does this media remind you of anything else you've read/watched/played?

Nope! It doesn't remind me of anything else I've read.

What type of person might enjoy this media? For example, this book is for someone who likes Percy Jackson, someone who enjoys getting scared, someone who likes a challenge, etc.

This media is for people who like to follow clues, mysteries, and want a quick and easy read.

Did you like this media? Would you recommend it to others? Why or why not?

Yes, I did like this media. However, I did not love it. It's not on my re-reads list, but it's an amazing read! Quick and easy to follow along, I would 100% recommend it.

Do you like the cover? Does it convey what the media is about?

Yes, I loved the cover! Although I don't know what the chandelier conveys, it is was originally caught my eye about the book.

Do you have any last thoughts about this media that you would like to include in your review?

No last thoughts! Have a good day to whoever reads this ^^
